Clinical Dentistry / Education and Training / Professional Development Strategic Leadership / Corporate Governance / Transformational Change

Experienced dental practitioner, clinical academic and educationalist; with impressive qualifications and over three decades of distinguished achievement in NHS, private and specialist practice.

Pioneers innovation in education alongside operational and financial efficiencies across complex educational environments, fosters collaboration, delivers clinical and business priorities and secures sustainable outcomes.

- **Shapes implementation and delivery of transformational change;** draws on deep expertise in strategic planning, governance, regulation and financial management to enhance standards of patient safety and care.
- **Builds trust and credibility at Board level;** a clear-sighted thinker, counsellor and adviser, expert at seeing the big picture; applies integrity, insight and strong end-user focus to promote clinical competence and ethical conduct.
- **Deals skilfully with conflict to harmonise interests and achieve consensus;** steers robust decision-making and delivers lasting value through vision, leadership and exemplary communication, networking and relationship skills.

PROFESSIONAL AND EXECUTIVE EXPERIENCE

CURRENT APPOINTMENTS:

Emeritus Professor of Restorative Dentistry and Dental Education, UCL Eastman Dental Institute, London WC1	2018 – present
Specialist in Restorative Dentistry and Prosthodontics, Private Practice, London, W1	1998 – present

As a clinician, provided high quality care for patients with complex oral health needs for over 30 years.

PREVIOUS APPOINTMENTS:

Professor of Restorative Dentistry and Dental Education, UCL Eastman Dental Institute	2008 – 2018
Honorary Consultant in Restorative Dentistry, Eastman Dental Hospital, UCLH NHS Foundation Trust	2002 – 2018

As a clinical academic, contributed to the training of postgraduates and NHS trainees for over three decades.

Pro-Vice-Provost, Education, Innovation and Enterprise, University College London (UCL)	2013 – 2017
---	-------------

Invited to provide support for UCL's global expansion strategy; headed development and growth of innovative start-up enterprise, providing short courses, professional development and executive education in all disciplines across the university. Accountable for facilities, governance and quality oversight, supervised staff recruitment, performance and retention and built seven-strong central facilitatory team. Managed annual team budget of c£500K.

- **Streamlined delivery of change;** supported faculties, departments and academics across UCL with provision of online and face-to-face continuing education for UK and international markets; delivered highest percentage growth in short course activity and registered student numbers across the Russell Group.
- **Improved access to course information;** pioneered short course catalogue website (<https://www.ucl.ac.uk/short-courses/>)
- **Maximised business efficiency;** established robust quality frameworks through formal development and review process.
- **More than tripled learners from 12,000 to over 44,000 and increased income from £3M to £12M over five years;** successfully engaged with all faculties and over 70 departments and expanded range and scope of educational offerings.

Associate Dean, Continuing Medical and Dental Education, UCL School of Life and Medical Sciences	2008 – 2012
--	-------------

Head of CPD Department, UCL Eastman Dental Institute	2002 – 2012
--	-------------

Appointed to extend postgraduate education opportunities for dental professionals to benefit patient care and drive significant growth through provision of face-to-face and online courses and flexible degree programmes. Established CPD Department in separate dedicated premises; met evolving business requirements, handled day-to-day facilities management, governance and quality oversight, recruited staff and supervised continuing development and performance. Promoted to **Director of Education** in 2005 to lead on the academic and quality agenda working across whole of UCL Eastman Dental Institute.

- **Developed enterprise over ten years into largest CPD centre for dental professionals in Europe;** expanded course portfolio by 300%, grew student numbers to >2,000 face-to-face and over 20,000 online, and trebled income from £1M to >£3M.
- **Expanded academic and professional staff numbers five-fold to over 100;** success of staff acknowledged with Provost's Award for Teaching and Learning in 2010, UCL's highest available recognition for contribution to education activity.
- **Enhanced quality and governance of educational activities,** resulting in excellent UCL Internal Quality Review (IQR) report.

Associate Specialist in Restorative Dentistry, Eastman Dental Hospital, UCLH NHS Foundation Trust	1998 – 2002
---	-------------

Senior Clinical Lecturer in Restorative Dentistry, UCL Eastman Dental Institute	1995 – 2002
---	-------------

Clinical Lecturer in Restorative Dentistry, UCL Eastman Dental Institute	1991 – 1994
--	-------------

Registrar in Restorative Dentistry, Eastman Dental Hospital, UCLH NHS Foundation Trust	1990 – 1991
--	-------------

Associate General Dental Practitioner (NHS and Private - part time)	1988 – 1998
---	-------------

Clinical Assistant, Restorative Dentistry, King's College Hospital School Medical and Dental School	1988 – 1989
---	-------------

House Officer, Paediatric, Orthodontic and Restorative Dentistry, King's College Hospital Medical and Dental School	1987
---	------
